01 Assumption of Risk

Baseball involves running, throwing, batting, and contact with balls and equipment. I understand those risks and still choose to let my player participate.

02 Release

I release So Smooth, its coaches, and staff from claims that arise from ordinary participation, except for conduct the law does not allow us to waive.

03 Medical Care

If my player is hurt and I cannot be reached, I authorize So Smooth staff to seek reasonable emergency medical care on my behalf.

04 Photo & Media

So Smooth may use photos or video from sessions and games to promote the program, unless I notify staff in writing that I opt out.

05 Conduct

Players and parents agree to the team standard: respect, effort, and a team-first culture, on and off the field.
